RUBRIC	Exemplary	Average	Below Average	Score
The Proposal (5)				
Timeliness	Handed in on time (1 points)	Handed in one day late (0.5 points)	Handed 2 days late (0 point)	
Model (What?)	Included your groups top three choices of a model (1 points)	Included your groups top two choices of a model (0.5 points)	Included your groups one choice of a model (0 points)	
Model (Why?)	Included a reason for your three choices (1 points)	Included a reason for your two choices (0.5 points)	If no reasons are given zero points will be earned!	
Known dimension	Included at least one known height/width/length of your three choices (1 points)	Included at least one known height/width/length of your two choices (0.5 points)	Included at least one known height/width/length of your one choice (0 point)	
Picture	Included a picture (can be black & white) that will be used to determine your scale (1 points)	Included a picture, but it will not help you determine your scale (0.5 points)	No picture was included (0 points)	
			Total points out of 5	
The Model (70)				
Timeliness	Handed in on time (5 points)	Handed in one day late (3 points)	Handed in two days late (1 point) {After that 0 points)	
Computations	Handed in picture, labeled with scale and 100% of the conversions for your scale (10 points)	Handed in picture, labeled with scale and 75% of the conversions for your scale (8 points)	Handed in picture, labeled with scale and 50% of the conversions for your scale (6 points)	
Scale	The entire model is to scale and the key is included on the model (20 points)	Most (75%) of the model is to scale and the key is included on the model (14 points)	50% of the model is to scale or the key is not included on the model (10 points)	
Material	Used sound material (material that would not fall apart during transport) and matched the color of your model as best at you could (20 points)	Used sound material (material that would not fall apart during transport) but did not match the color of your model (14 points)	Used unsound material and matched the color of your model as best as you could (10 points)	
Working Mechanism	There is a working mechanism, does not require additional help (10 points)	There is a working mechanism, does require additional help (7 points)	There is no working mechanism (0 points)	
Aestetically Pleasing	Great use of color (5 points)	x	No use of color (0 point)	
Optional Items (Extra Credit)	Items that were not required to be included and are to scale may earn up to 10 points of extra credit only if every part is handed in on time.			
			Total points out of 70	
The Presentation/ Documentary (75)				
Timeliness/Readiness	Handed in on time (5 points)	Handed in one day late (4 points)	Handed in two days late (3 point) {After that 0 points}	
Document/PowerPoint	Used one of the approved choices (5 points)	X	Did not use an approved choice (0 points)	
Followed Hand in Directions	Copy is given to teacher to keep (5 points)	X	X	
Included Material	Included at least 10 items that are both useful tourist information, historical, and deal with the given questions (20 points)	Included at least 7 items that are both useful tourist information, historical, and deal with the given questions (16 points)	Included at least 4 items that are both useful tourist information, historical, and deal with the given questions(12 points) any less and it will result in an NC for the **ENTIRE** written part of the assignment	
Aesthetically Pleasing	Great use of color and background appropriate for your model document/PowerPoint (5 points)	Good use of color and background not necessarily appropriate for your model document/PowerPoint (4 points)	No use of color and background appropriate for your model document/PowerPoint (2 point)	
Bibliography & Credits	Included all Websites (at least two) and/or books used during your research (5 points)	Included at least 1 Website and/or books used during your research (4 points)	Did not include a bibliography (0 points)	
Grammar, punctuation, mechanics and spelling	Had 0-3 errors (5 points)	Had 4-7 errors (4 points)	Had more than 7 errors (3 point)	
Transitions	Smooth transitions during your presentation, 3 or less um's or large pauses (5 points)	Smooth transitions during your presentation, 4-7 um's or large pauses (4 points)	No smooth transitions or more than 7 um's or large pauses (3 points)	
Eye Contact	Each member has eye contact with the class (5 points)	One member does not have eye contact with the class (4 points)	More than one member does not have eye contact with the class (2 points)	

Photos/Audio	Every change in your model has been included (5 points)	75% of your model changes has been included (3 points)	50% of your model changes has been included (2 points)	
Media	Appropriate media is used (5 points)	X	Paper copy was completed, no media used (3 points)	
Audio	Each member is included in your final product (5 points)	Only half of your group is included in your final product (3 points)	Only one member in your group is included in your final product (2 points)	
Music (extra)	Appropriate music that works with project (4 extra points)			
			Total points out of 75	

Student Log (10)	Handed in your completed log worksheet (10 points)	X	Did not hand in your log sheet completed (0 points)	
			Total points out of 10	

Partner Evaluation (20)	YOUR NAME	PARTNER NAME		
The Research	Did equal amount of work on the written part of the project (5 points)	Did roughly 30% of the work on the written part of the project (4 points)	Did very minimal amount of work on the written part of the project (2 points)	
The Presentation	Did equal amount of work on the presentation part of the project (5 points)	Did roughly 30% of the work on the presentation part of the project (4 points)	Did very minimal amount of work on the presentation part of the project (2 points)	
The Model	Did equal amount of work on the model part of the project (5 points)	Did roughly 30% of the work on the model part of the project (4 points)	Did very minimal amount of work on the model part of the project (2 points)	
The Documentary	Did equal amount of work on the documentary part of the project (5 points)	Did roughly 30% of the work on the documentary part of the project (4 points)	Did very minimal amount of work on the documentary part of the project (2 points)	
	Please include any additional comments that you would like in the process of grading your group members.
