

## SCHOOL COMMUNITY RELATIONS

Series 800

Policy Title . . . BOARD – COMMUNITY RELATIONS      Code No. 880

It shall be the expressed policy of the School Board to actively cooperate with official area community agencies and organizations concerned with the welfare of students. All efforts of this school system should be directed toward maintaining an open communications between the schools and the public. Community support for the program of the schools can best be established through a public that understands and is active in school affairs.
