Code No. 370.2

The following policy of the School Board shall govern student participation in local, state, and national contests:

1.) Participation

Participation shall be limited to those contests and activities which are educationally sound, worthy, and timely. It should be stimulating for the student and school, a desirable activity for both, and should supplement and not interfere with the regular program. Participation shall be voluntary. No contestant shall be excluded because of race, color, creed, or payment of an entry fee.

2.) Transportation

Appropriate school funds may be used to assume the costs of transportation where students represent the school in competition, but in other events the students shall pay their own transportation costs.
