

SUPPORT SERVICES

Series 700

Policy Title . . . EMERGENCY PLANS

Code No. 723

The District shall insure that every building has properly developed and posted emergency plans for fire drills and tornadoes. Further the District and each school within the District shall have a school safety plan (Crisis Communication Plan) in place. Adequate staff and student training in these procedures shall be conducted as needed but annually at a minimum.

Date of Adoption:
October 20, 2008
