Policy Title . . . INTELLECTUAL PROPERTY

Code No. 361.6

The following applies to works created by Burlington Area School District employees and students and is the policy of the School Board regarding these works and copyright.

It is the POLICY of the BOARD to encourage its employees to develop intellectual property.* If an employee develops the intellectual property exclusively as a function of his/her position, the property developed would become the property of the BOARD.

*Intellectual property is defined as the creation of written documents, computer software, or other teaching equipment that may be published and/or produced for public sale.

Date of Adoption:
January 1992
Revised:
January 14, 2008
