Policy Title . . . NEPOTISM

Code No. 513.0

It shall be the policy of the Board to recruit or grant employment status solely on qualifications noted in Policy R-511.1.

Under no circumstances shall a spouse serve under the immediate supervision of the spouse's husband or wife. Neither shall an offspring ever serve under the immediate supervision of a parent or vice-versa. Situations where a parent and offspring might serve together under the same building administration or immediate supervisor shall be reviewed on a case-by-case basis.

This policy shall not affect past professional appointments nor place in jeopardy those appointments because of this policy.
