

INSTRUCTION

Series 300

Policy Title . . . SELECTION OF AUDIO-VISUAL MATERIALS Code No. 361.3

All media materials to be purchased or obtained without cost, to support the curriculum should be identified within the curriculum/course of study or:

- Been approved by the building principal at least 10 days (where possible) before anticipated use.
- Been recorded for classroom use and meets professional standards for content, appropriateness for the grade level and conforms to copyright laws.

Use of online internet based resources is encouraged; however, such use requires professional judgment. Teachers will be held responsible for these decisions.
