Policy Title . . . TITLE 1 PARENT INVOLVEMENT

Code No. 811.1

In order to enhance the role of parents in the learning process by increasing their participation in the Title 1 program, the Board establishes that various activities be provided by the Burlington Area School District Title 1 Program. Therefore, the parents of each eligible Title 1 child shall be:

- 1.) Notified when their child is to be screened for possible placement in the program.
- 2.) Invited to an annual Title 1 meeting where the program's goals, objectives, and instructional activities will be fully explained.
- 3.) Allowed to make the final decision as to their child's placement in the program.
- 4.) Provided the opportunity to review the screening results used to determine whether or not the child was eligible for the program.
- 5.) Allowed to meet and confer with the child's Title 1 teacher for the purpose of learning about their child's progress.
- 6.) Provided time to observe instruction in their child's Title 1 class.
- 7.) Offered the opportunity to attend Title 1 Parent Workshops when they are sponsored by the state Title 1 office.
- 8.) Supplied with information relating to activities they can do with their children to help them at home.
- 9.) Surveyed for suggestions and ideas to help in program planning.
- 10.) Guaranteed prompt answers to any question or concern about the program.
