Policy Title . . . TRANSPORTATION TO EVENTS OUTSIDE OF
SCHOOL HOURS AND FACILITIES Code No.751.2

Students participating in school sponsored activities, meets or tournaments as a contestant or spectator shall be governed by the same rules of behavior as any in-school activity or event.

The Burlington Area School District supplies appropriate transportation to most school sponsored activities. Participants are required to use this transportation (if provided) unless pre-excused in writing.

For practices, competitions or activities for which no school sponsored vehicles are provided; parents must assume responsibility for their son/daughter's transportation.

All school sponsored special event transportation shall have an employee of the district with delegated control responsibilities aboard while students are in transit.
