

## Save the Date!

# Racine County Special Needs Resource Fair

May 4, 2018 4:00-6:30 PM

Waterford Union High School  
100 Field Drive, Waterford, WI (Enter at Door #1)

The *purpose* of the fair is for attendees to connect with a wide range of agencies servicing children and young adults from birth to 21 and beyond, or to connect with families who are experiencing the same concerns or issues.

Do you ask any of these questions regarding your or your child's needs?

- Are you college or tech school bound and need to know what services you may be able to access in a post-high school location?
- Are you concerned about financially being able to attend a post high school setting?
- Do you need direction with housing issues beyond living with parents?
- Do you think you will need support locating or keeping a job?
- Do you need on the job training or support?
- Are you as a parent in need of respite or summer events for your child?
- Are you looking for recreational events for your child to attend?
- Do you have medical or equipment needs that you may be seeking additional funding to help support?
- Are you looking for outside therapy services for your child?
- Do you have a young child who you have concerns about their development?

*All of these questions could be answered by the vendors or agency representatives who attend the Resource Fair!*

Please plan to join us! Call Kathy Merlo at 763-0214, Ext. 211 or e-mail [kmerlo@basd.k12.wi.us](mailto:kmerlo@basd.k12.wi.us) for more information!
