Welcome to the Community Education Department, nicknamed “CED”. Our goal is to provide educational opportunities to the community to promote a healthy and active lifestyle through recreational programming. Programs include a variety of indoor and outdoor recreational opportunities for all ages; including indoor and outdoor sports, enrichment classes, health & fitness and more. We are a department of the Burlington Area School District celebrating lifelong learning and recreation. We publish three Activity Guides each year. If you have any questions regarding the information provided in this guide, please email Scott Hoffman at shoffman@basd.k12.wi.us or Becky Sagedal at bsagedal@basd.k12.wi.us or call the office at 262-763-0219 and we will be happy to answer them. Have an idea for a new class? Let us know!

Message from the Superintendent:

We are counting down the days until Burlington students return to school because we enjoy seeing the classrooms, hallways, and playgrounds filled with students ready to learn.

This summer provided us time to make building improvements. Among the many projects, we repaired asphalt at BHS and Winkler Elementary. A new soccer field was installed. We replaced gym lighting at Winkler as part of a project to convert all the lighting at the school to LED (increasing energy efficiency and saving money). We have refinished the gym floors at Karcher and BHS. All schools are deep cleaned and received routine updates.

Using information obtained through the community survey sent last spring, the board decided to propose a $43,655,000 million referendum question for the November 6 ballot. If approved, the funding would be used to increase safety and security in schools, to complete needed maintenance projects in every school, and build a new middle school for grades 6-8. Visit our redesigned website at www.basd.k12.wi.us to read the details.

We’ve started to implement safety-related projects, funded through a $163,880 school safety grant from the Wisconsin Department of Justice. The grant helps us to better secure entrances and add security cameras. The grant also allows us to offer training to staff before the school year begins.

In the ongoing effort to strengthen our district, we seek to use the best teaching practices. We are working to better articulate grade level learning goals and make sure all students – from the most cognitively challenged to the most gifted to every student in between – receive the instruction that will help them to experience success in their career and life.

I invite you to attend school board meetings on the second Monday of the month at 7 pm at the District office or committee meetings open to the public. This is an opportunity to hear more about the Burlington schools. Thank you for your commitment to the students in the Burlington community.

- Peter Smet
Summer 2018

NEWS BRIEFS

School starts on September 4 for grades K-9 and September 5 for grades 10-12.

Congratulations to the Girls Varsity Softball team who placed as runner-up in the State Championship! WIAA named the team a recipient of the Sportsmanship Award.

Eight BHS students were named National AP Scholars by earning at least a score of 4 on five or more AP exams. Advanced Placement courses allow students to graduate high school with college credit.

The District had many 5-8 grade students participate in the Southern Lakes Anthology with poems, art and illustrated writing around the theme “What’s Inside.” Nineteen students were published.

BHS alumni are welcome to sign-up for a quarterly electronic newsletter on the Alumni page at basd.k12.wi.us.

Burlington’s Community Garden received support from the District through the ACE Academy building the garden shed and many students volunteering in the garden.

Thank you!! Each year, the District receives donations from local businesses and individuals in support of school activities and academic endeavors. The school board approved approximately $200,000 in donations during the last year.

Stay informed on what is taking place in the District by following “Burlington Area School District” on Facebook.
ADULT CLASSES

Coaches Clinic on Mental Training for Peak Performance
Do you have athletes that have ability but struggle with confidence? Do you wonder how you can get your team to work together better? Did you know that the way you talk to your athletes affects their performance? Learn how to give your team the MENTAL EDGE. Self-talk, visualizations, and thoughts create a blueprint in our mind and contribute to the making of a CHAMPION... or NOT. Caryn Bird, Consulting Professional Hypnotist and author of ATTITUDE OF A CHAMPION will cover the tools and techniques that she teaches athletes to use to reach their peak performance and how you, as the coach, can help them. Caryn has worked with athletes for the past 14 years and has real world experience in helping athletes get the confidence of a champion with mental toughness training.

Ageless Skin Through Facial Workout
LEARN HOW TO KEEP SKIN YOUTHFUL THROUGH FACIAL EXERCISE AND BALANCING THE MICROBIOME.
FIND OUT THE NEW TRUTHS ABOUT AGING AND DAMAGED OR SENSITIVE SKIN
What is the microbiome? It’s a colony of good and bad bacteria that exists on the surface of the skin. For decades, we’ve destroyed the microbiome with harsh skin products filled with chemicals. This has resulted in a multitude of skin problems like premature aging, rosacea and sensitivities. This class will teach you amazing new skin breakthroughs and how to protect the skin’s microbiome naturally. Create a youthful appearance naturally without costly botox, injections and fillers. Learn facial exercises and massage to improve circulation, elasticity and firmness. Muscles are an important factor in the condition of the skin. Most of us don’t think about the job they do, but allowing them to atrophy and slacken causes sagging of the face and neck! You can look younger, have a slimmer nose and more refined chin all through facial manipulations. Join us to learn the basics of these revolutionary techniques!

NOTE TO PARTICIPANTS: We will be removing makeup to perform the exercises so we can use an essential oil for the massage techniques.

Young Rembrandts Elementary Drawing and Cartooning - Grades 1 thru 7
Young Rembrandts drawing and cartooning classes are back! Each season we offer classes that enhance foundational drawing techniques, train students in color theory and boost self-confidence. Keeping with the season, our students will create fall-themed illustrations like taffy apples. Stylized art styles will also be explored through our tarantula line art or Van Gogh-inspired drawing featuring vibrant sunflowers. Does your child have a great sense of humor to compliment his or her artistic skills? In our goofy animal portraits, students will learn how to personify animals, transforming them into cartoon characters. Fall is the perfect time to get started. Don’t miss out, sign up today for this 5-week course!

New and original lessons are featured in each session. Don’t miss out, sign up today for either, or both, of these 5-week courses.

WISCONSIN TEST PREP - ACT PREP COURSE  
Grades 10 thru 12  
Burlington High School - Library

The course consists of 7 sessions focusing on English, Math, Reading/Writing and Science.

**7 Sessions:**  
Tuesday, October 16 - Pretest  
Tuesday, October 23 - English  
Tuesday, October 30 - Math  
Tuesday, November 6 - Math  
Tuesday, November 13 - Reading/Writing  
Tuesday, November 27 - Science  
Saturday, December 1 - Practice Test

The sessions focus on each of the content areas and practice tests are taken weekly. Tests are scored and explanations are given for each question. Test scores are given to students as well as the correct answers to help better prepare them for the actual test. Our curriculum uses actual ACT test problems to maximize student test scores. This course provides students with a distinct competitive edge on test day.

Saturday, December 1: Practice Test at Burlington High School from 8:00 AM - 11:30 AM.

Saturday, December 8: National ACT test at Burlington High School.  
This course does NOT register a student for the National ACT.

*If there is a schedule conflict for one of the dates, student may attend a class at another school.  
For a complete schedule of classes, go to www.WisconsinTestPrep.com*

For more information: see a BHS school counselor, visit www.WisconsinTestPrep.com or call Leann Pomeroy at 262-498-4113.

A course will also be offered for the June 8, 2019 test.

The Community Education Department will run a youth basketball program for boys and girls in grades 1 through 6. The program will focus on skill development, teamwork, sportsmanship, and basketball fundamentals. Our intent is to provide an opportunity to learn and improve basketball skills as well as to provide a positive experience for your child. It’s a great form of education and exercise over the cold winter months.

Your involvement as parents is critical to the continued success of this program. We hope this will encourage more volunteer parent coaches to get involved. Please check the bottom of the registration form if you would be willing to coach. You would be coaching your child’s team. The kids need your support. Volunteer coaches will meet on Thursday, November 15th at 6:00 pm at the high school cafeteria to pick up your team rosters, discuss new practice drills and get answers to any questions they may have.

We will divide kids into the following groups:

Registered players will be assigned to a volunteer coach who will contact them to let the players know what team he/she will be on. All teams will practice and play games on Saturday afternoons. Practices will be held on Saturday, December 1st, 8th, 15th and 22nd. A six-week game schedule will run from January 5th thru February 9th (make-up day will be February 16th in the case of snow cancellations). Players will receive a team T-shirt. A “picture day” will be Saturday, January 12th.
