

# 7<sup>th</sup> Grade Elective Request Worksheet 2020-2021 School Year

## **Elective Requests**

In the table below, **prioritize** the elective courses you would be interested in taking. The “preference order” tells us the course listed in the #1 spot you would like to have the most, #2 is your second choice, all the way to your 5th choice. Enter course names in the blanks below in your preference order.

We do our best to provide students with courses they want but do not guarantee students will have their top choices due to class sizes and other potential scheduling conflicts.
