Series 300

Policy Title . . . BASIC CURRICULUM

Code No. 330

The school district shall develop, adopt and implement a written school district curriculum plan which includes the following:

- a. Kindergarten through grade 12 sequential curriculum plan in each of the following subject areas: reading, language arts, mathematics, social studies, science, health, computer literacy, environmental education, physical education, art and music.
- b. Computer literacy objectives and activities shall be integrated into the kindergarten through grade 12 sequential curriculum plans.
- c. Environmental education objectives and activities shall be integrated into the kindergarten through grade 12 sequential curriculum plans, with the greatest emphasis in art, health, science and social studies education.
- d. A grade 7 through 12 sequential curriculum plan in vocational education. The school district curriculum plan shall be consistent with the approved education for employment program under ch.PI26.

Each sequential curriculum plan shall specify objectives, course sequence, course content, resources, an objective process of determining whether pupils attain the specified objectives, and an allocation of instructional time by week, semester and school term. The school district shall establish in the school district curriculum plan the allocation of instructional time, by week, semester and school term, among all subject areas. Each sequential curriculum plan shall include a program evaluation method which provides that components of the sequential curriculum plan shall be monitored continuously. The overall program evaluation method shall be reviewed at least once every five years and revised as appropriate to ensure that pupils meet the curriculum objectives.

At all times the curriculum shall conform to state and federal law and to the requirements set forth by the Department of Public Instruction. The District adopted curriculum shall be taught as prescribed.
