The School Board recognizes that one of the greatest resources of the school system is to be found in the people of the community who have special knowledge and particular talents to contribute to the school program. The School Board, therefore, encourages the teachers to use community resources and citizens to assist in furthering the educational program. Use of outside personnel and resources shall be under regulations as approved by the Superintendent of Schools.

The presence of these outside resource people shall be approved by the principal at least two weeks in advance of the event.
