

## FISCAL MANAGEMENT

### SERIES 600

Policy Title ...STATEMENT OF GUIDING PRINCIPLES Code No. 610

The School Board recognizes that its primary purpose is to provide the best education possible within the limits of the established curriculum and the financial ability of the School District. The School Board also recognizes its deep responsibility to the citizens of the School District for the efficient use of public funds. It shall, therefore, be the duty of the School Board to determine guidelines for the most effective use of public funds and for reporting to the public. At all times the School District shall adhere to all Federal and State laws and regulations.
