

FST 3-2 Graphing Hyperbola

$$y = \frac{1}{x-5} + 2$$

up²
left 5

a) Graph without a calculator

b) State the asymptotes.

$$x = 5$$

$$y = 2$$

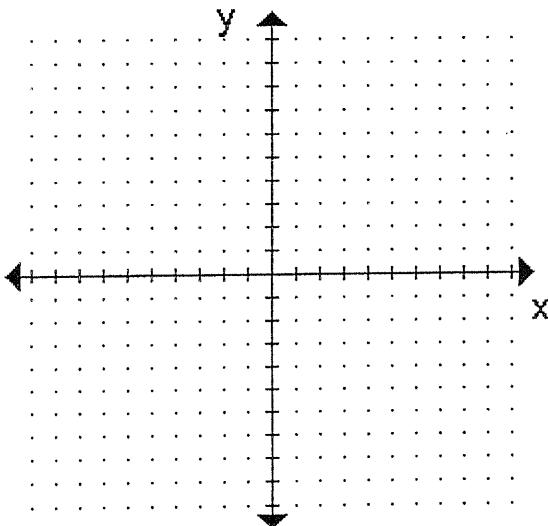

c) State the domain and range

$$D: \{x | x \neq 5\}$$

$$R: \{y | y \neq 2\}$$

FST 3-2 Graphing Hyperbola

$$y = \frac{1}{x-5} + 2$$

a) Graph without a calculator

b) State the asymptotes.

c) State the domain and range
