

ANNUAL NOTICE: HOMELESS CHILDREN and UNACCOMPANIED YOUTH

The McKinney-Vento Homeless Education Assistance Act requires school districts to identify a homeless liaison to assist students and families who are experiencing homelessness to ensure that children and youth (twenty-one years of age and younger) have access to the same opportunities as permanently housed students so they can be successful in school.

The term “homeless children and youth” refers to individuals who lack a “fixed, regular, and adequate nighttime residence” and MAY include the following possible living situations:

- ❖ Children and youth sharing the housing of friends/family members (i.e. doubled up) due to loss of housing, eviction, economic hardship, inability to pay rent, or a similar reason and have no other place to live;
- ❖ Children and youth who are living in temporary or unstable housing (i.e moving from place to place);
- ❖ Children and youth who are staying in a shelter (i.e. family shelter, domestic violence shelter, youth shelter, emergency shelter);
- ❖ Children and youth who are living in motels/hotels, weekly rate housing, trailer parks, or camping grounds due to lack of alternative adequate accommodations;
- ❖ Children and youth who are living in abandoned buildings, train stations, substandard housing, or spaces not designed for regular sleeping accommodations;
- ❖ Unaccompanied children and youth (i.e. youth who are not living in the physical custody of a parent or guardian and may be residing with other friends/family due to conflict, being a runaway, or kicked out) who qualify as homeless because they are living in similar circumstances listed above;
- ❖ Migratory children who qualify as homeless because they are living in similar circumstances listed above.

If you are personally aware of, or are acquainted with, any children who may qualify according to the above criteria, the Burlington Area School District provides the following assurances to parents of homeless children:
