**Please note that this may not be a complete list of supplies.**

This year students will not have an option to purchase the Karcher planner. If you feel your child would benefit from this organizational tool, one may be purchased at any school supply store.

To assist with organization and time, students are allowed to carry a string bag (drawstring bag).

Each elective class usually requires an additional spiral notebook and folder.

Teachers, academic and elective, may recommend additional supplies throughout the school year.
